Invitation letter for the 8th Congress of Alps Adria Acoustics Association
<https://www.alpsadriaacoustics.eu/>

Dear colleagues and friends,

On behalf of the organizing and scientific committees, I am happy to invite you to the 8th Congress of the Alps Adria Acoustics Association that will take place from **20th to 21st September 2018** at the Faculty of Transport and Traffic Sciences, University of Zagreb (Campus Borongaj, Object 69), Borongajska cesta 83f, Zagreb, Croatia.

Every two years, one of the three founding societies of the AAAA organizes a scientific congress on acoustics. The main goal of these congresses is to bring together acousticians from Croatia, Austria and Slovenia, as well as from the other European countries, in order to exchange knowledge, share research outcomes and strengthen mutual cooperation among these societies for the benefit of the whole region.

Attending scientific conferences is essential for young researchers in acoustics, Master and PhD students. In the same time, their budget is always very limited and high conference fees are often stopping them to attend a conference. Therefore, our goal and focus for this particular congress is to keep the conference fee affordable especially to young researchers active in acoustics. Moreover, a Roundtable discussion on noise legislation, its implementation in national laws and discovered challenges for experts and companies is planned as well.

The official language of the Congress is English. Authors are invited to submit original and previously unpublished research papers within the field of acoustics. Full papers based on abstracts that have been reviewed and accepted by independent reviewers will be published in the Congress Proceedings. The Proceedings will be published in electronic form only with full text of all reviewed papers.

The 2018 Congress of the Alps Adria Acoustics Association is supported by the European Acoustics Association, EAA.

Participants are mandatory to register, following the guidelines from the congress website <https://www.alpsadriaacoustics.eu/registration/>. Do not hesitate to ask for more information at info@alpsadriaacoustics.eu.

Looking forward to meeting you in Zagreb in September 2018!

Prof. Kristian Jambrošić, PhD

Congress Chair
